

Capa - Premium Red Blend

Harvest & Blend: 40% Petit Verdot, 30% Cabernet Sauvignon, 20% Cabernet Franc and 10% Malbec handpicked from our best vineyards.

Processing: Fermented in stainless steel tanks, this wine was skin macerated for 25 days to build the body and structure and then it was aged in French and American oak barrels for 16 months to round the texture of tannins. After bottling, the wine was aged for at least 6 months before release.

Tasting notes:

Color: Intense ruby red color.

Aroma: Elegant nose with concentrated aromas of blackcurrant with hints of tobacco, cedar and a mineral touch.

Taste: A gentle attack leads to powerful yet elegant tannins and a long smooth finish, marked by vanilla and red fruit aromas.

Serving T°: Serve between 16 ° and 20° C.

ANALYTICAL DATA

Alcohol:	14.3	% by vol.
Total Acidity:	6.14	g/L (Tartaric)
Volatile Acidity:	0,55	g/L (Acetic)
